#### Vice Commodore's Report

Joe Powers, *Aquavit*

The weather caused the cancellation of the sailing cruise to Grays Inn Creek, but several members joined an impromptu dinner at Hemingways, on Kent Island.

There are no on-shore get togethers planned for July. Our next land based event will be the annual picnic and business meeting at the Belvedere Yacht Club on August 18, at 2PM. The menu will be established a couple of weeks prior to the picnic and we will send out a notice to members requesting complementary dishes. This will be an important meeting so we encourage everyone to attend.

The Crabcake picnic at the Sailing Emporium will be held on September 8th. Cocktails at 3 with crabcake dinner at 4 PM. We will have corn on the cob this year. If you plan to come by boat call the Sailing Emporium at 410-778-1342 for reservations. Mention that you are part of the CSC group. Won't save you any money but might help with good will. More on this, including costs, later.

#### Fleet Captain's Report

Dave Nance, *Ariel*

I understand that the Summer Cruise was a great success. I hope that someone that was on the cruise, like Glenn and Susan, will describe for all of you just how good it was. I am sort of sorry Lois and I were not there but our longer cruise was just spectacular.

When I scheduled the June 30 raft I thought that it was iffy because of the typical late June weather but I figured it would be easy to cancel if needed. Well, it was needed because of the heat. If I had scheduled it for the previous week I would be called a profit because the weather was beautiful.

I will do my best to have better weather for the July raft up in Saltworks Creek, so see everyone there.
