I know we're all happy to finally see green leaves, no snow, nicer weather, and a dawning sailing season coming through. Happy May to one and all!

We had a really great get-together at Eastport Yacht Club on Friday, April 10th.

Thanks, Dave and Janet, for hosting us! There

were 17 of us all told - fourteen CSCers, one couple of former (and perhaps future?) CSCers, and a guest. The full roster, besides our hosts the Ewings, included V/C Liz and Frank, Jim and Dona Force and friend Mary Ellen, Richard and Leslie Paine, Joe and Margie Powers (welcome back from Florida, guys!), Bill and Sandy Stine, and Sue and me. Plus, as a special added attraction, Tom and Carol Muha. Tom was a member in years past and they still have the boat. So maybe, just maybe, they will be able to join us on the odd outing this year on the Bay. Altogether, we made for a fun group with a very long table and enjoyed a fine meal on the banks of Spa Creek.

Next up is the sailing season. The shore events, excepting our annual August business meeting/picnic, is now behind us and we're looking to the sky with its breezes and the Bay for entertainment. The cruise schedule is firming up, with some TBD weekends for those able to take off on random short trips. Thanks, F/C Bill, for scouting out the future for us!

So, here's to looking forward to seeing many boats flying the Red and

Gold on the Bay! (That would be CSC colors, not Redskins, in case you were wondering ☺.)

Vice Commodore's Report

Liz Cingel, *Southern Lady*

As the Commodore indicated in his article we had a great turnout for dinner at Eastport Yacht Club in April with 17 people. Maybe we should have more dinners at Eastport Yacht Club in the winter. Thanks Janet and Dave Ewing for hosting us. It was nice to have Carol and Tom Muha join us for dinner and hope they will join CSC and go cruising with us when their boat is ready.

I'm looking for a restaurant for July 11 so if anyone has a suggestion I will take it under consideration. Has anyone been to Mike's North at White Rocks Marina in Pasadena? I looked at their menu and it appears they have a full menu including an "all you can eat salad bar". There is free dockage on Pier B while dining at Mike's North. Maybe this will give me a chance to go out to eat if Frank and I check it out.

Happy Mother's day to everyone.
